SESSION II WRITING

Choose and circle ONE of the following topics and write an essay of 300-350 words. Your writing will be evaluated on the basis of content, organization, and language use.

Organization	Content	Use of Language	Lexical Resource	SUM	GRADE

- Some people think that the top importance of a job is its salary, there are others who think otherwise and see job satisfaction as a more important source of motivation.
Which viewpoint do you agree with? Give reasons for your answer and include any relevant examples.
- Brain drain is the emigration of highly trained people from a particular country. Some people think that brain drain is the natural effect of globalization and fighting the brain drain is useless because one's mobility within the globalized world is very natural. There are others, however, who think otherwise and emphasize its disadvantages, and believe that governments must build a strong sense of national identity to stop the brain drain.
Which viewpoint do you agree with? Give reasons for your answer and include any relevant examples from your own experience or knowledge.
- "Health care is a right, not a privilege, and every citizen should have health insurance."
Do you agree or disagree with the statement above? Give reasons for your answer and include any relevant examples from your own experience or knowledge.
